Certificates

Use certificates for encrypted connections and identification.

Clear SSL state   Certificates   Publishers

AutoComplete

AutoComplete stores previous entries on webpages and suggests matches for you.   Settings

Feeds and Web Slices

From the Internet Options menu, select the "Content" tab , then mid-way through the menu select "Auto Complete Settings" then check the box under "Forms " that will have the browser remember user names and passwords.

AutoComplete Settings

AutoComplete lists possible matches from entries you've typed or visited before.

Use AutoComplete for

☑ Address bar
   ☑ Browsing history
   ☑ Favorites
   ☐ Feeds
   ☑ Use Windows Search for better results
☐ Forms
☑ User names and passwords on forms
   ☑ Ask me before saving passwords

Delete AutoComplete history...

OK   Cancel

Apply

You will then be asked if you want to remember the passwords for websites.

=790638   you want Internet Explorer to remember the password for onlib.org?   Why am I seeing this?   Yes   No ▾   ✕

In Firefox select the Firefox tab, and then select "Options " from the second menu.

From the "Options" menu select the "Security" tab and check the box "Remember passwords for sites". Then select "OK".
