      - Dodge also attended the recent premiere of the new Liverpool Legends video. Dodge said everyone involved in the video did a great job and the program was good. There are copies of the video circulating in the collection and he encouraged everyone to check out the video if they have a chance. There are copies for sale in the gift shop. The video was a collaboration with the Onondaga Historical Association.

      - The Lobby Book sale brought in $2,120.46 in January, while the wishing well had $15. The gift shop total was $123.30 and the donations were $66.60.
• There were a few programs held after the written report was sent to the board. The premiere of the newest Liverpool Legends video was well received and 95 people were in attendance, including many board members. The video came about as a result of the live ghost walk held last fall. Three of the actors from the video were present at the premiere, and one of them was dressed as their character.

• The library hosted a Preschool fair on Saturday, January 28th. There were 11 area preschools represented, and 75 families attended. The program was very well received.

• A link to the new website was shared with the board. Vice President Spadafore shared some of his observations and suggestions regarding how the website displays on a mobile device. The launch of the new website is set to coincide with the publication of the next program planner.

• Bid requests for the new Nissan van have been posted. The state will send the bids to us within 7-10 days after the bid window closes.

• Preliminary plans were received for the first floor remodel plans were received. Wisniewski and a few staff members met to talk about the proposed ideas. The plans include lower shelving units, a laptop bar, and different seating. While we can’t alter the physical space of the building there are a few glass wall quiet study areas in the plan. Seating and study space seem to be the primary needs.

• We are in the process of securing bids from three different companies for the network wiring project with a goal to complete the project in April.

• Wisniewski asked the board to revisit the proposed bathroom project that was put on hold last fall. The three public rest rooms are not ADA compliant, and are in need of renovation. It is the desire of the board to bring the bathrooms into ADA compliance, and approved the Director moving forward with the first step of contacting LCSD in order to obtain an SED number.
