Director’s report
In addition to the written report:
- Dailey recently attended Lawyers for Libraries with Ben Ferrara, the library’s co-counsel. This workshop was an ongoing project of the American Library Association Office for Intellectual Freedom. The project was designed to create a network of attorneys around the country involved in, or committed to becoming involved in, the defense of the First Amendment freedom to read and the application of constitutional law to library policies, principles, and problems. Librarians who are not attorneys were invited to attend, but they had to be accompanied by an attorney. The Friends of the Liverpool Public Library will be taking care of registration cost for Mr. Ferrara.

- Library Merit and Performance Awards Ceremony was held on October 9. Alessio attended. The Circulation Department and Mary Davitt, librarian assistant were given the Performance Awards. Director’s Awards went to David Fulton, Susan Garavelli, Christine Shaughnessy, Martha Hopper, Dorothy Morgan, Pamela Sprague, and Gina Fredericks.

- There are 199 Friends of the Library that reside in the Liverpool Central School District. It was reported that 92 voted on the 2003-2004 budget.

As a result of the discussion, Ms. Matousek will take the request to the School Board.
There was a general consensus of the Liverpool Public Library’s Board of Trustees that the library vote be combined with the Liverpool Central School District’s annual vote.

The Board will be looking at various things like the cost of living increase, retirement, basic operating costs as well as other issues that may impact the bottom line.
