Attention all Liverpool High School alumni!

Relive memories of your high school years...Liverpool High School yearbooks from 1952 to present are now available online on LPL.org. Look under the Reference/Local History tab.

Made possible by a Regional Bibliographic Databases and Interlibrary Resources Sharing Grant via the New York Heritage Collection.

Value Line: Patrons now have free online access to in-depth financial information, research, commentary, price projections and analytical tools for stocks and mutual funds for the “Chartist” investor. Value Line features a unique “timeliness rank” and charting system that anticipates a stock’s future performance based on historical factors. Look under Research/online-resources/databases on our LPL.org website.

Stay in Touch!
Like us on Facebook or follow us on Twitter or Instagram, and we’ll keep you informed on the new and exciting things we have to offer!

Keep an eye out for exciting changes popping up in 2019!

You may notice that some library events have been moved out into the community. The reason is two-fold. First we want to connect the library and our patrons with our community partners as per our strategic plan. Secondly, as a result of patron and staff feedback, we are preparing for some updates at the library. Did you know our last remodeling happened more than 30 years ago? Library users have asked for more seating, quiet study spaces and more space for creative activities.

The first stage will begin in March with the renovation of the lobby and public restrooms, making them ADA compliant. This is part of the Liverpool Central School District Long-Range Facility Plan Phase 4.

Plans for renovations of the main area and Children's Room are in progress and will be shared shortly.

Please check our website LPL.org for updates on plans, timelines and how library services will be impacted during this exciting time for LPL.
